

Hull Engineering

Bachelor of Engineering (BEng) (Hons)

| | | | |
|-------------------|-----------|----------------------|---|
| Duration | 1 year | OQF Level | 8 |
| Study type | Full-time | UK FHEQ Level | 6 |

| Semester 1 | | Credits | Semester 2 | | Credits |
|-------------------|-----------------------------|----------------|-------------------|-------------------------------|----------------|
| MTCM6028 | Computer Aided Engineering | 20 | MTCM6026 | Vibration Analysis & Controls | 20 |
| MTCA6006 | Engineering Management | 20 | MTCS6027 | Computational Fluid Dynamics | 20 |
| MTCM6031 | Advanced Naval Architecture | 20 | MTCA6001 | Individual Project | 40 |
| MTCA6001 | Individual Project | 40 | | | |
